A prizewinning historian tells the dramatic story of the siege that changed the course of the First World War in September 1914. Just a month into World War 1, the Russian army laid siege to the fortress city of Przemysl. The German garrison’s most advanced Bastion against invasion for six months, against odds and starvation, the garrison persisted heroically, ensuring the besiegers a quick victory, only to fail in March 1915 for the city. In The Fortress, historian Alexander Watson tells the story of the battle for Przemysl, showing how in defeat the fate of Central War in Europe and how it laid the种子 of the new region, Europe. Finally, with close attention to the scholarship of women in the arts and letters and to the experiences of civilians trapped in the city, the author offers an unprecedentedly intimate perspective on the eastern front’s horror and human tragedy.
