By adding charms and pretty embellishments to letters and artwork, you can make your own dangles. With 50 projects in the book, you can add stunning patterns and color to dangles, personalize your dangles with charms that are unique to you, and create dangle words from the dangle alphabet in the book. Dangles are a perfect way to accentuate your stationary, invitations, lettering, and more.

****THE INSTANT NEW YORK TIMES BESTSELLER**** "Alex Michaelides's long-awaited next novel, *'The Maidens,'* is finally here...the premise is enticing and the elements irresistible." —*The New York Times* "A deliciously dark, elegant, utterly compulsive read—with a twist that blew my mind. I loved this even more than I loved *The Silent Patient* and that's saying something!" —Lucy Foley, *New York Times* bestselling author of *The Guest List* From the #1 *New York Times* bestselling author of *The Silent Patient* comes a spellbinding tale of psychological suspense, weaving together Greek mythology, murder, and obsession, that further cements "Michaelides as a major player in the field" (*Publishers Weekly*). Edward Fosca is a murderer. Of this Mariana is certain. But Fosca is untouchable. A handsome and charismatic Greek tragedy professor at Cambridge University, Fosca is adored by staff and students alike—particularly by the members of a secret society of female students known as The Maidens. Mariana Andros is a brilliant but troubled group therapist who becomes fixated on The Maidens when one member, a friend of Mariana's niece Zoe, is found murdered in Cambridge. Mariana, who was once herself a student at the university, quickly suspects that behind the idyllic beauty of the spires and turrets, and beneath the ancient traditions, lies something sinister. And she becomes convinced that, despite his alibi, Edward Fosca is guilty of the murder. But why would the professor target one of his students? And why does he keep returning to the rites of Persephone, the maiden, and her journey to the underworld? When another body is found, Mariana's obsession with proving Fosca's guilt spirals out of control, threatening to destroy her credibility as well as her closest relationships. But Mariana is determined to stop this killer, even if it costs her everything—including her own life.

You love word search puzzles, but you also love swearing like a drunken sailor. Before today you weren't able to combine both of your passions into one single activity. Now you can! Leave those vulgarity-free word-find puzzles book days behind you. Get in on some swear word filled word search activities by buying this book! This book is filled with cursing, swearing, dirty words, sex references, vulgarity, nastiness, naughtiness, and everything else that is wrong with the world today. These naughty word-search puzzles might make you laugh, vomit, cry, or all of the above. This word-find puzzles book is strictly for adults as it is very offensive to anyone who sets their eyes upon it (especially me...I'm very offended)! This is the second swear word / bad word / curse word / vulgarities word search book in our series. Enjoy filling your day with filth, you dirty animal. Seventeen-year-old Robyn Mason left America with her family the day after high school graduation for Ireland to meet the one to whom she was paired. She finds out there is more to her betrothal and McKale's clan than she could have imagined. As they become more comfortable with each other, a seductive and deadly Fae princess gets in their way. Robyn's family and McKale's clan must work together to outsmart the powerful Faeries and preserve the only hope left for their people.

The Hurricane

The Brief Wondrous Life of Oscar Wao

More than 30 fanciful full-page illustrations depict the wisest of birds in lush, tapestry-like settings. Covered with flowers, paisleys, and other fun-to-color patterns, these adorable owls are posed against vivid backgrounds brimming with intricate designs. Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, Owls and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress.

Emily McCarthy is living in fear of a dark and dangerous past. A gifted mathematician, she is little more than a hollow, broken shell, trying desperately to make ends meet long enough to finish her degree. Through an unlikely friendship with the aging, cantankerous owner of an old boxing gym, Em is thrown into the path of the most dangerous man that she has ever met. Cormac "the Hurricane" O'Connell is cut, tattooed and dangerous. He is a lethal weapon with no safety and everyone is waiting for the mistire. He's never been knocked out before, but when he meets Em he falls, HARD. Unlike any other girl he's ever met, she doesn't want anything from him. Just being around her makes him want to be a better person. They are polar opposites who were never meant to find each other, but some things are just worth the fight.

The Traditional Korea Coloring Book is an adult coloring book which contains vivid illustrations inspired by ancient Korean culture.

Aussie Slang is a richly-textured, often ribald word of understatement and laconic humour. This guide aims to do three things: (a) to help the traveller decipher what they hear around them in everyday Australian life, (b) give the casual reader some insight into informal Australian culture, and (c) make a record of some old Australian expressions that are slipping into disuse now that English has become a global language. Readers will recognize both British and American terms in this list. Australian English has absorbed much from these two great languages. For depth of knowledge of their own language, no-body beats the British. Its their language after all. A thousand years in the making, the English language is embedded deep in the DNA of the British. No-one uses their language more skillfully than they do. On the other hand, American English has a creative power that recognizes no boundaries. Americans have taken a very good all-purpose language and extended it in all kinds of directions with new words describing the world as it is today. They do not generally cling to old forms out of respect for tradition. As Winston Churchill observed, Britain and America ... two great nations divided by the same language. Australian English sits comfortably in the space between the two. Australian English began in the early days of settlement as English English with a healthy dash of Celtic influence from the many Scots, Irish and Welsh settlers who came to Australia. Large numbers of German settlers also came in the 1800's, and their influence on the language is also clearly evident. For over a hundred years, Australia developed in splendid isolation its unique blend of English, tempered by the hardships of heat and cold, deluge and drought, bushfires and cyclones. The harsh environment united people in a common struggle to survive. People helped each other. Strong communitarian loyalties were engendered. It is from this that the egalitarian character of Australia evolved. There is a strong emphasis on building a feeling of solidarity with others. Strangers will call each other "mate" or "luv" in a tone of voice ordinarily reserved for close friends and family in other parts of the world. Everyone was from somewhere else, and no-one was better than anyone else. A strong anti-authoritarian attitude became deeply embedded in Australian English. This was mainly directed towards their British overlords who still ran the country as a profitable colony. The Australian sense of humour is generally understated, delivered with a straight-face, and is often self-deprecating in nature. No-one wants to appear to be " up themselves ". Harsh or otherwise adverse conditions had to be met without complaint, so when discussing such conditions, it was necessary to do so with laconic, understated humour. Anyone not doing so was deemed a " whinger " (win-jer).Following World War II the American influence came increasingly to influence Australian culture and therefore the language. No-one is better at selling their popular culture to the world than the United States of America. Their pop culture is a beguiling instrument of foreign policy, so pervasive and persuasive it is. Young Australians enthusiastically embraced American culture, and since the 1940's the old established British language and customs have become blended with the American. If Australian English has a remarkable quality, it is the absence of regional dialects. It is spoken with relative uniformity across the entire nation. Brisbane on the East coast is a 4,300 kilometre (2,700 mile) drive from Perth on the West coast, yet there is little discernible linguistic difference between the two places compared with the difference, for example between Boston and San Francisco in the US. Nowhere else in the world do we see such linguistic uniformity across large distances.

Funny and Humor Filled Color Book with Naughty Words for the Vagina, Vajjayjay, Pussy...

A witty and insightful read, this dark psychological thriller of sibling rivalry, love, betrayal, and the dire consequences of family fallout brilliantly plays on our fears of loneliness and abandonment, harkening to the modern gothic bestsellers by Ruth Ware and Liz Nugent. Is a story ever just a story? Mac, a retired academic and writer, is working on a new collection of folktales, inspired by local legends, and at the insistence of her only child, Arthur, she hires a young assistant, Lucie, to live in a cottage on her property and help her transcribe them. What Arthur doesn't know is that Lucie has a few complicated secrets of her own. The creeping presence of an ancient water mill next to Mac's property that used to grind wheat into flour serves as an eerie counterpoint for these two women as they circle warily around each other, haunted by the local legend of two long-dead sisters, ready to point accusing fingers from the pages of history. This atmospheric page turner evocatively gives voice to the question: What happens when you fall in love with the wrong person?

Luaine is daughter to the greatest of Irish warriors, the legendary Cuchulainn. Although known throughout Ireland as the most fearsome of killers, to Luaine he is a loving playful father who amuses her with his exciting tales and marvelous feats. When the unthinkable happens—Cuchulainn returns from war injured nearly to the death—it is the first intimation of the hero's downfall, and Luaine's first painful step toward an adult life unlike anything she has imagined. As she faces loss, betrayal, suffering and fear, Luaine must find a strength that comes neither from the sword nor from her proud parentage, but from her own courageous spirit.

After a horse trainer is found dead, Acton and Doyle try to find the culprit, a pursuit complicated by the jealousies and blunders of their coworkers.

Talking with Your Hands, Listening with Your Eyes

“Don’t You Forget About Me is one of those books I couldn’t put down. Crackling with energy and wit, I lost count of how many times I laughed out loud. Mhairi McFarlane’s voice is as clear as a bell—she makes you laugh, but she also makes you feel. I adore her!” — Sally Thorne
Internationally bestselling author Mhairi McFarlane delivers a funny, romantic, heartfelt novel perfect for fans of Josie Silver or Sally Thorne, and anyone who loves Bridget Jones or Fleabag! You always remember your first love... don't you? If there's anything worse than being fired from the worst restaurant in town, it's coming home early to find your boyfriend in bed with someone else. Reeling from the humiliation of a double dumping in one day, Georgina takes the next job that comes her way—bartender in a newly opened pub. There's only one problem: it's run by the guy she fell in love with years ago. And—make that two problems—he doesn't remember her. At all. But she has fabulous friends and her signature hot pink fur coat... what more could a girl really need? Lucas McCarthy has not only grown into a broodingly handsome man, but he's also turned into an actual grown-up, with a thriving business and a dog along the way. Crossing paths with him again throws Georgina's rocky present into sharp relief—and brings a secret from her past bubbling to the surface. Only she knows what happened twelve years ago, and why she's allowed the memories to chase her ever since. But maybe it's not too late for the truth... or a second chance with the one that got away?
Ireland has charmed visitors for centuries, and this collection of intricate illustrations is a celebration of its unique appeal. **36:00:00* The clock activates so suddenly in my mind, my head involuntarily jerks a bit to the side. The fog vanishes, dissipated in an instant as though it never was. Memories come slotting into place, their edges sharp enough to leave furrows, and suddenly I know. I know exactly who I am. My name is Lia Johansen, and I was named for a prisoner of war. She lived in the Tiersten Internment Colony for two years, and when they negotiated the return of the prisoners, I was given her memories and sent back in her place. And I am a genetically engineered human bomb. Lia Johansen was created for only one purpose: to slip onto the strategically placed New Sol Space Station and explode. But her mission goes to hell when her clock malfunctions, freezing her countdown with just two minutes to go. With no Plan B, no memories of her past, and no identity besides a name stolen from a dead POW, Lia has no idea what to do next. Her life gets even more complicated when she meets Michael Sorenson, the real Lia's childhood best friend. Drawn to Michael and his family against her better judgment, Lia starts learning what it means to live and love, and to be human. It is only when her countdown clock begins sporadically losing time that she realizes even duds can still blow up. If she wants any chance at a future, she must find a way to unlock the secrets of her past and stop her clock. But as Lia digs into her origins, she begins to suspect there's far more to her mission and to this war, than meets the eye. With the fate of not just a space station but an entire empire hanging in the balance, Lia races to find the truth before her time—literally—runs out.*

The Vagina Monologues

The Victorian era was full of majestic beauty and scandalous secrets—a time when corsets were the least of a woman's restrictions, and men could kill or be killed in the name of honor...Lady Margaret Cassidy left a life of nobility behind in Ireland, forsaking her grieving homeland to aid war-ravaged men in England. Still, she never expected a cruel turn of fate to lock her into an unwanted betrothal with one of her English patients—much less one as broken and dangerous as Viscount Powers. Wrecked by his tragic past, Powers' opiate-addled sanity hangs precariously in the balance, leaving him poised to destroy anyone who dares to utter the names of the wife and child he still so deeply mourns. So when he is forced to marry Margaret in exchange for freedom, he is shocked by the desire to earn her trust, her body, and—most alarming of all—her heart...

A great gift this holiday season!

Juggling school, soccer, friends and family leaves John with little time for anything else. One day at the local community center, following the sound of drums, he stumbles into an Indigenous dance class. Before he knows what's happening, John finds himself stumbling through beginner classes with a bunch of little girls, skipping soccer practice and letting his other responsibilities slide. When he attends a powwow and witnesses a powerful performance, he realizes that he wants to be a dancer more than anything. But the nearest class for boys is at the Native Cultural Center in the city, and he still hasn't told his family or friends about his new passion. If he wants to dance, he will have to stop hiding. Behind the mocking of his teammates and the hostility of the boys in his dance class, John must find a way to balance and embrace both the Irish and Cree sides of his heritage.

The Big Book of Words You Should Know

Do you know what "quatrefoil" and "impolitic" mean? What about "halcyon" or "narcolepsy"? This book is a handy, easy-to-read reference guide to the proper parlance for any situation. In this book you will find: Words You Absolutely Should Know (covert, exonerate, perimeter); Words You Should Know But Probably Don't (dour, incendiary, scintilla); Words Most People Don't Know (schlimazel, thaumaturgy, epergne); Words You Should Know to Sound Overeducated (ad infinitum, nugatory, garrulity); Words You Probably Shouldn't Know (priapic, damnatory, labia majora); and more. Whether writing an essay, studying for a test, or trying to impress friends, family, and fellow cocktail party guests with their prolixity, you will achieve magniloquence, ebulience, and flights of rhetorical brilliance. Winner of numerous literary awards including the Baileys Women's Prize for Fiction, the Geoffrey Faber Memorial Prize and the Goldsmiths Prize, Eimear McBride's debut novel *A Girl is a Half-formed Thing* plunges us into the psyche of a girl with breathtaking fury and intimacy. 'Eimear McBride is a writer of remarkable power and originality.' Times Literary Supplement 'An instant classic.' Guardian Adapted for the stage by Annie Ryan for The Corn Exchange, Eimear McBride's *A Girl is a Half-formed Thing* premiered at the Dublin Theatre Festival 2014. 'Unflinching... magnificent... The narrative transposes effortlessly to the stage, as if this is where it belongs.' Guardian 'One of the best stage adaptations of a novel you're likely to see.' Sunday Times
